POPE LEO XIII ON PRAYING THE ROSARY:

“The Rosary is the most excellent form of prayer and the most efficacious means of attaining eternal life. It is the remedy for all our evils, the root of all our blessings. There is no more excellent way of praying... In Mary, God has given us the most zealous guardian of Christian unity. There are, of course, more ways than one to win her protection by prayer, but as for us, we think that the best and most effective way to her favour lies in the Rosary.”
